

TO US FUNDERS

Any size or type of donation will be of the greatest help and hugely appreciated.

As a registered UK Charity (Charity Commission Number 1093966), one-off or regular donations to Aids Ark are **Fully Tax Deductible** in the US only if such payments are made through the American Fund for Charities. See all relevant documentation:

Donation Form from The American Fund for Charities – please fill in and mail to Aids Ark in London (see our address below) so that we can ensure correct payment from The American Fund for Charities to AA. Should you wish to pay by cheque this should be made out to AFC and also sent to AA. We will forward all relevant forms and your kind donation onto the AFC.

A copy of the **Exemption Letter** for The American Fund for Charities is enclosed, which confirms that the American Fund is a 501 (c) (3) Public Charity.
